#### PRINCIPAL'S MESSAGE, 1989

We are celebrating Homecoming '89 and as such we think of our school as a home, a home where people share and care about each other. The alumni who return to our school remember the good times, the struggles, the activities and the classrooms but most of all they remember the people they met and associated with. You cannot have a home without a family. Our family is a large one with each person contributing something to make our school a better place to be. With Mr. Jonkman, Mrs. Gelette, Mr. Bray, Mrs. Moore, Miss Shaw and all the ladies in the office, upstairs, downstairs and in the library we each try to provide a safe, organized, exciting place for you to work. Each of these people care about you and want you to succeed. The teachers are a very special part of our family because they care about you and your learning, they are there to listen to you and guide you in your educational, social and emotional growth. The teachers are your support system just as the folks at home are. Your family at home support us as well and trust you to our care. We thank all of you at home for your belief in what we are trying to do and for your support as our "extended family". Finally, without the students we would have no purpose for our work. As a staff we gain satisfaction and enjoyment from your growth and success. As "parents" of your school family we are proud of you and your successes. We will look forward to welcoming you back in future years when you return to visit. For the grade nines who are moving on we hope you will come back to visit. We are pleased to see you journey on to adulthood and take up your responsibilities in the community. It is our hope that you will always remember Highlands as "home" and that we are all "family". Good luck!

### ASSISTANT PRINCIPAL'S MESSAGE

It has been a gratifying year at Highlands with the many renovations and improvements, along with the interests renewed by the upcoming 75th anniversary. We at Highlands have been making a sincere effort to improve upon the number of absences and tardiness. With the use of our new computer system, I am happy to report that we have been successful. We are also proud of our new bus which will assist our clubs, and educational fieldtrips. I have always been supportive of our clubs and activities and recognize the effort and devotion of the staff to our students and parents. Many of our programs and activities are possible due to the number of people who support us. So in closing, I say thank you to all those involved at Highlands as we look ahead.

A handwritten signature in cursive script, reading "P.G. Jonkman".

# Student Council

During this year many exciting things have happened. We have had a school barbecue, a wake-a-thon, and a talent show, just to mention a few functions. We have also been involved in many fund raisers to help others. That just shows that the students at Highlands are willing to assist others. They are also supportive of the Student Council as shown by the numbers attending dances.

This year there have been a few firsts in our school teams. For the first time we have had school jackets and are currently working on getting a school store. I think that everyone at Highlands should be proud of their accomplishments. At this time I would also like to thank the support and teaching staff for all their efforts this year. Last but not least I would like to wish all those at Highlands the best in the future.

Your president,

# Images '89 Yearbook Staff

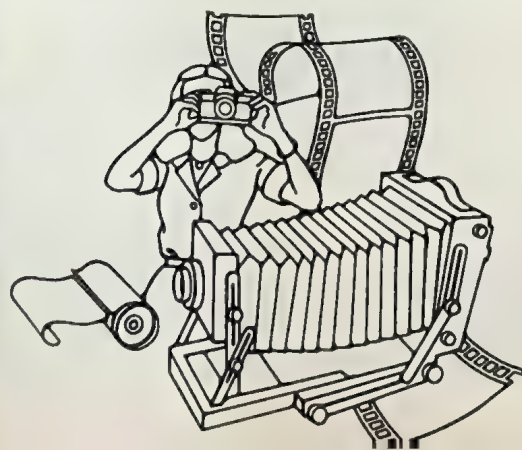

I'm really proud of our yearbook this year. I've had the great pleasure of working with the fine individuals that make up the Images '89 group. This group of students are some of the most dedicated people of Highlands. They've occasionally worked on the yearbook during vacation time and almost everyday at lunch. Their commitment to excellence is reflected on each page of this yearbook. Special thanks goes to Mr. Kinoshita and Mr. Christiansen. And a great big thank you to all my staff.

# Homecoming

Is that you? Do you remember when?  
Did you see? These questions were asked again and again at Highlands Homecoming '89. June 2nd and 3rd saw many graduates, teachers and spouses celebrating approximately 75 years of learning at Highlands school. Many people exchanged greetings and stories of their school days at a Friday night Beerfest. A walk through the school, including the specially decorated rooms was a must for most people. Saturday's activities included a noon Barbeque and a Banquet in the evening. Friendships flourished and smiles shown as good fellowship was enjoyed by all. The history and past traditions of Highlands school were remembered on this weekend. The future of course, belongs to you today's students.

# Celebration '89

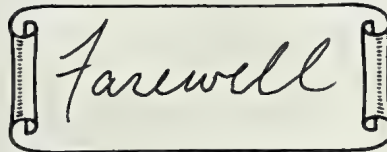

# Farewell...

Mrs. Kuss has been at Highlands for 3 years. She has been an important person in computerizing our school. Now our attendance, timetables, letters, and exams can be efficiently kept.

Mr. Wyatt is the best known as the Highlands drama teacher. He also makes a contribution to the celebration committee. He works hard to see that everything is organized and prepared for the celebration. He will be missed by the staff and students.

Mr. Kinoshita has taught at Highlands for 4 years. He is a great teacher and coach. He coached the Senior Boys Volleyball team for 4 years. He also works hard to organize noon barbeques and acts as one of the advisors for the yearbook.

Mrs. Hui is a former student at Highlands. She returned to the school this year to teach French. She organized the French Immersion Camp for the students. She is also the one of the advisors for the students union.

Mrs. Costigan recently retired from teaching in December of this school year. Both staff and students are sad to see her go, but wishes her all the luck for the future. She taught at Highlands for 18 years. She made a great contribution to the Highlands' home economics program and Highlands' newspaper. Mrs. Costigan was also one of the organizers of the 1989 Highlands Homecoming.
